### 1.3 Please give a brief manifesto (no more than 200 words) to include your reason(s) for standing for election and the skills and experience you could bring to the Board of BCVA

I would like to re-stand for election as my work is not done! I have thoroughly enjoyed being a Board Member and would like to continue to use my strong interpersonal skills working with the BCVA team to shape our profession for the better. I have been Co-Chair of the Animal Health and Welfare Group and an active member of other working groups for the past 3 years. I have worked with RCVS and VMD to clarify medicine legislation for our members including organising a panel webinar with these organisations. I have helped model new BCVA CPD offerings including the highly successful surgery course, lunch 'n' learn modules for busy vets in practice and some leadership CPD aimed at senior vets looking to progress in their careers. My current projects are representing BCVA in the Animal Health and Welfare pathway groups and leading on medicines/residues training reform. We have some major changes ahead of us with the development of the new Veterinary Surgeons Act and we await the outcomes of the CMA, whilst continuing to face challenges to national food biosecurity with regards to exotic disease incursions and inadequate border controls etc. Remaining in a practicing role in a very busy farm only practice, I feel I am well placed to represent you, our membership in all that matters to us.
