Name	Becca Cavill
Practice/Company	Boehringer Ingelheim Animal Health

1.2 Proposed by:

Proposer	Seconder
Name Sarah Tomlinson	Name Ed Simmons
Practice/Company AHDB	Practice/Company Tibbs and Simmons

1.3 Please give a brief manifesto (no more than 200 words) to include your reason(s) for standing for election and the skills and experience you could bring to the Board of BCVA

Since graduating from Liverpool in 2003 I have been dedicated to improving cattle health and welfare. Initially this was in farm practice for 18 years with a broad combination of experience from my first role in my native North Wales before settling in the south west of England in a largely dairy focused practice. In 2021 I took the leap from practice to industry becoming the ruminant veterinary adviser for the south of England and Wales at Boehringer Ingelheim. The last four years have opened up a new, but equally valuable, world in farm vetting for me.

I believe this combination of extensive general practice experience coupled with skills and insights relating to how industry, medicine regulations, corporate and buying group practices, marketing, communication and delivery of education to vets, students and farmers work make me ideally placed to bring value to the BCVA board.

Above all I remain passionate about providing the best veterinary and farming standards we can to support and improve the already exceptionally high level of cattle practice and agriculture in the UK. I'd love to be on the BCVA board to be a part of a collaborative team that shares and actions a similar vision.
