1.3 Please give a brief manifesto (no more than 200 words) to include your reason(s) for standing for election and the skills and experience you could bring to the Board of BCVA

I am applying for a second term on the board because I believe my range of experience and skills, including transitioning from practice to a consultancy role, make me well placed to represent the diverse BCVA membership.

During my first three years on board, I have enjoyed getting stuck into a wide variety of activities on behalf of our members. I have been actively involved in the Health & Welfare working group, most notably representing BCVA on the Action Johnes Management Group during the launch of phase III of the NJMP. In addition, I sit on the Sustainability and Governance working groups and have done several student talks on behalf of BCVA.

My objectives for a second term are to contribute to an efficient and effective board ensuring excellent two-way communication with our members. It is important that we continue to cater for vets at all stages of their career, including those that have diversified. I have enjoyed serving and shaping an organisation that has been an important part of my career from day one, and I would like to continue to contribute over the next three years.
