## About the Speaker

### **Mary Young**

Mary studied Veterinary Bioscience at Glasgow University before joining SAC Consulting in 2015. She is a Ruminant nutritionist in the Livestock Specialist Team at SAC and covers all aspects of beef and sheep nutrition. Mary has delivered nutritional workshop and training sessions to vets, farmers and consultants, these sessions are practical and theory based and provide a better understanding of nutritional needs of the beef herd. Mary specialises in forage evaluation and ration formulation and has been involved in rationing software development and is a member of the industry advisory led group in the Feed into Beef research project which is currently reviewing and updating the nutritional requirements of beef cattle in the UK.
